APPLICATION FOR PHYSICAL ADDRESS

The Pocahontas County Commission has enacted a 911 Addressing and Mapping Ordinance in order to uniformly assign and maintain street addresses, provide for easy identification and to promote the health, safety and welfare of the citizens of Pocahontas County.

The assigned numbers need to be posted near the roadway in front of your home or business, visible in both directions to make it easier for an ambulance, fire department or police officer to quickly identify your residence or business.

Placing the assigned numbers on or near your residence is the responsibility of the resident/owner. All costs incurred from posting the assigned numbers are the responsibility of the resident/owner.

The cost of obtaining the assigned number is FREE to any Pocahontas County resident or business owner.

DO NOT use your physical address for your mailing address unless you are directed to do so by the United States Postal Service.
